Dear Shri Kuttan Nair,

The Commander-in-Chief thanks you for your letter of 17 Dec.

He is pleased to hear that your son, Hav/Clerk K.K. Kutty Krishna Menon, is a talented artist and that he has successfully exhibited his paintings at the last Army Arts Exhibition. He will be very pleased to do what he can to encourage this young artist. You have requested him to send your son to the Sir J.J. College of Arts at Bombay. In order to help him take up this case, will you please ask your son to send here some half a dozen of his paintings - which must be his own - which could be sent to the College for them to say whether he is a youth worthy of being seriously trained.

Yours sincerely,

G.M. Chopra
